

BEVEL SHARD PENDANT

by CHRISTOPHER FLECHTNER
for CRAFTSMAN + COLLECTIVE

Carefully carved from solid walnut, the Shard Pendant sits fine alone or arranged as part of a larger group. Taking the idea of Kuromoji to the extreme, the Shard Pendant has a uniquely angled look from every perspective. Housing a single dimmable LED lamp in a choice of temperatures, the Shard Pendant can be used as an accent or task light and can transform your space throughout the day and night.
